Bolu Owolabi, PMP

Operations & Program Delivery

Atlanta, GA | tobiowolabi31@gmail.com | bolupmp.com

Operations and project delivery professional with experience launching markets, leading peak logistics operations and standardizing workflows across mobility, healthcare and SaaS.

PROFESSIONAL EXPERIENCE

Operations Coordinator, Atlanta Market Launch
8fleet | 2026-present

- Owned the Atlanta fleet launch lifecycle from procurement and receiving through vehicle readiness, rollout and first drive. The November 2026 deployment target is 150 vehicles.
- Updated the orientation SOP and onboarding handoffs supporting approximately 250-300 hiring and orientation participants per month.

Operations & Marketing Consultant
Charis Healthcare | 2025-present

- Support practice operations, EMR workflows, audit readiness and automated patient outreach.

Area Manager, Inbound Operations
Amazon | 2024-2025

- Led peak inbound coverage as the sole manager in a four-manager structure, with broader shift oversight across a 250-person operation.
- Exceeded throughput and on-time staging targets during peak and wrote a head-injury prevention SOP.

Logistics Operations
MNX Global Logistics | 2022-2024

- Managed 300+ accounts daily across 3PL and life sciences, coordinated time-critical shipments and supported a transportation management system rollout.

Project Operations Manager
Charis Healthcare | 2022-2024

- Led a practice relocation and site buildout, and managed EHR migrations across OptiMantra, athenahealth and Tebra.

Project Coordinator
Tagmarshal | 2021-2022

- Coordinated concurrent international SaaS deployments and created repeatable implementation and onboarding procedures.
